It is never too late to turn over a new leaf. But don't let it be a dead one.
Can you recall the meanest thing you ever did? But don't tell us. We frankly admit that it is god-like to love our enemies as we love ourselves. But who wants to pose as God?
It might not look well in print.

UNABLE TO WALK FOR SIX MONTHS

Gains Eighteen Pounds and Can Do Own Housework Since Taking Tanlac

"For six months before I began taking Tanlac I had rheumatism so bad I wasn't able to walk with out someone helping me or without holding onto a chair, but now I am doing my housework for the first time in years and have gained eighteen pounds in weight," said Mrs. Mamie Garica, 506 Holmes Street, Kansas City, Mo.
"It was three years ago that I began to suffer with rheumatism, I got so bad off I had to give up my housework and finally I became almost helpless. My joints were stiff and swollen and pained me every time I moved. I had pains all over my body especially in my back, and sometimes I was in such agony I thought I would go distracted. I also suffered badly constipation and often severe headaches, and at times I would get so dizzy I had to lie down or sit down to keep from fainting. My stomach

became badly upset and at times what little I did eat made me so nauseated I could not retain it. My heart would palpitate terribly, and I felt so choked up and tight across the chest I had to gasp for breath. I lost weight until I went down to one hundred and ten pounds, and finally I got so bad off I couldn't walk without help.
"After I began taking Tanlac words can't express how happy I was when the pains began to ease up, and I felt a calm coming over me that I had not felt in years. By the time I had finished my second bottle I was able to walk and now I have taken up my housework again. The swelling and stiffness have left my joints and I hardly know what it is to have eyes so much as an ache. I can eat just anything I want. My digestion is perfect and I never suffer any bad effects at all. My constipation had been entirely relieved and I am free from headaches and dizziness. My sleep is sound and refreshing and I now weigh one hundred and twenty-eight pounds and my health is better than it has been for four years."
Tanlac is sold in Burns, by Reed and in Crane by Crane Mercantile Co.
